

## Fruit & Vegetables Testing Tools Catalogue 2020

Article name and number:

Price by piece:

0101

### Universal sorting template

**37,95 €**

Material: 1 mm stainless steel,  
10 - pcs., brushed and stained, 10 >< 55 mm  
Accuracy: ± 0,5 mm

Declaration of conformity (material) [available](#)/not available:

0102

### Universal sorting template

**39,95 €**

Material: 1 mm stainless steel,  
11 - pcs., brushed and stained, 60 >< 100 mm  
Accuracy: ± 0,5 mm

Declaration of conformity (material) [available](#)/not available:

0103

### Tomato sorting template

**19,95 €**

Material: 1 mm stainless steel,  
3 - pcs., brushed and stained, 28 >< 102 mm  
Accuracy: ± 0,5 mm

Declaration of conformity (material) [available](#)/not available:

0104

### Potato sorting template

**49,95 €**

Material: 1 mm stainless steel,  
12 - pcs., brushed and stained, rectangular, 25 >< 70 mm  
Accuracy: ± 0,5 mm

Declaration of conformity (material) [available](#)/not available:

0105

### Universal sorting template - tray -

**19,95 €**

Material: 1 mm stainless steel,  
brushed and stained, 10 >< 50 mm  
Accuracy: ± 0,5 mm

Declaration of conformity (material) [available](#)/not available:

0106

### Soft fruit sorting template - tray -

**19,95 €**

Material: 1 mm stainless steel,  
brushed and stained, 15 >< 35 mm  
Accuracy: ± 0,5 mm

Declaration of conformity (material) [available](#)/not available:

0107

### Peaches & nectarines sorting templates

**29,95 €**

Material: 1 mm stainless steel,  
brushed and stained or  
3 mm acryl, 51 >< 90 mm  
Accuracy: ± 0,5 mm

Declaration of conformity (material) [available](#)/not available:

0108

### Oranges sorting template

**47,95 €**

Material: 1 mm stainless steel,  
9 - pcs., brushed and stained, Code 1 to 9, 62 >< 100 mm  
Accuracy: ± 0,5 mm

Declaration of conformity (material) [available](#)/not available:

**NEW!**

Price by piece:

**NEW!**

0109

**Clementines & mandarins sorting template**

**45,95 €**

Material: 1 mm stainless steel,  
7 - pcs., brushed and stained, Code 1xx to 6, 43 >< 78 mm  
Accuracy: ± 0,5 mm

Declaration of conformity (material) available/not available:

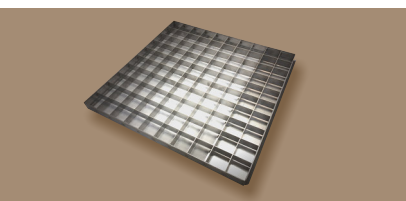

0110

**Nut sorting template**

**24,95 €**

Material: 1 mm stainless steel,  
3 - pcs., brushed and stained, 10 >< 35 mm  
Accuracy: ± 0,5 mm

Declaration of conformity (material) available/not available:

0111

**Sorting board for hazel- and walnuts**

**44,95 €**

Material: stainless steel  
100 for each a nut kernel  
Pullout shell for easy cleaning  
Weight: about 4 kg; L/W/H: 40,5 x 40,5 x 2,5 cm

Declaration of conformity (material) available/not available:

0112

**Asparagus sorting template**

**15,95 €**

Material: 1 mm stainless steel,  
brushed and stained  
Accuracy: ± 0,5 mm

Declaration of conformity (material) available/not available:

0201

**Shell errors fan**

**49,95 €**

Material: PE 0,25 >< 7,0 cm<sup>2</sup> (for citrus etc.)  
Accuracy: ± 0,5 mm  
in different geometric shapes

Declaration of conformity (material) available/not available:

0202

**Colour fan " colour assessment " various**

**24,95 €**

Pears, strawberries, cherries, apricots etc.

- The fans can only be used for quality assessment,  
but they are not qualified as official control devices! -
